# POP-UP BOXES

02|03

Our sleek new ergonomically designed pop-up boxes provide real ease of use and rapid connection solutions for mobile applications such as PCs, mobile phones, audio and video systems. Users have a choice of high and low current desk or floor-mounted (raised access or concrete floors) connections for immediate use.

#### SLEEK DESIGN

Extra-slim format to blend discreetly into the office furniture or floor

#### ELEGANT FINISHES

Aluminium, bronze, stainless steel, black or white - a perfect match for furniture and decor

#### SAFETY AND EASE OF USE

Soft opening cover with damper and push & slide locking system

#### FUNCTIONALITY AND FLEXIBILITY

Available in 3, 2x3, 4 and 2x4 modules for custom configuration or ready assembled with low and high current functions

**ESSENTIAL FUNCTIONS WITHIN EASY REACH**  
2P+E, RJ 45 and USB sockets to meet the connection needs of mobile users quickly and easily

**CLEVER CABLE MANAGEMENT**  
Versions available with reels equipped with retractable RJ 45 and USB cables

**MODERN FINISHES**  
White, black or stainless steel finishing plates to match any office environment

# DESKTOP MODULES

06|07

Available ready to use or as a customisable solution, our multi-outlet desktop extensions provide a high degree of flexibility and ease of use for both mobile and deskbased users.

These solutions can adapt to any furniture configuration and are easily installed on the desks to carry power as close to the user as possible without having to drill through the furniture.

**DIVERSE FUNCTIONALITY**  
Mix of high and low current functions  
(available in different installation standards)

**FLEXIBILITY OF CUSTOMISABLE SOLUTIONS**  
 Desktop extension modules can support different standards for power sockets or innovative functions

**DISCREET CURRENT DISTRIBUTION**  
 Under desk office module can be used as a standalone socket outlet or as an intermediary for multi-outlet desktop extensions

**OPTIMUM CABLE MANAGEMENT**  
 A neat solution for tidying and protecting cables from the floor to the workspace

# FLUSH-MOUNTING OFFICE MODULES

08|09

**F**lush-mounting office modules can be installed unobtrusively in any office furniture and configured according to the needs of the user.

This integrated solution provides all high and low current connections within easy reach ensuring maximum user comfort.

**CUSTOMISABLE FUNCTIONS**  
Modular functions can be adapted to suit requirements

**HIGH-QUALITY FINISH**  
A neat and attractive solution which integrates discreetly into the surrounding decor
